

Communication is Key During COVID-19

Stay connected to
your customers and
your employees.

PLUSONESTRATEGY.COM

During this uncertain time it is more important than ever to stay connected to our communities.

To support the rural telecom industry, Plus One is offering **6 hours of free communication, messaging and graphic consultation** to new customers. We can help put together clear messages using factual data from trusted sources from the CDC, WHO and other health organizations, as well as up-to-date information from your local and state authorities.
