

FOUNDATION FOR RURAL SERVICE

Create opportunities and elevate communities

The Foundation for Rural Service (FRS) is devoted to serving rural communities by creating opportunities through scholarships, grants, and innovative programs. But we don't do it alone! Let's work together to improve the quality of life in places that can be overlooked — the rural places we call home.

Your company's annual gift to FRS makes a difference. With your support we can:

- Offer life-changing scholarships.
- Host high school students for Youth Tour in Washington, DC.
- Award grants to nonprofit organizations in rural communities to grow their programs.
- Educate the public and policymakers about issues important to rural communities.
