Celebrating 30 Years of Partnering with NTCA Members to Support Rural America

The Foundation for Rural Service (FRS) is devoted to serving rural communities by creating opportunities through scholarships, grants, and innovative programs. But we can't do it alone! Let's work together to improve the quality of life in the rural places we call home.

Your company's annual gift to FRS makes a difference. Thanks to the support of NTCA members, over 30 years:

\$2 million awarded in scholarship funding to rural students

2,500+ students from across the country have visited Washington, D.C. through the Youth Tour

\$700,000+ awarded to schools, hospitals, libraries, and municipalities through the Community Grant program

Educated countless policymakers about issues important to rural communities
