

THREE STEPS. ONE SHIELD. A SAFER COMMUNITY.

Anyone can participate in Operation IFAST, but for companies ready to lead, IFAST Certification is the next step. IFAST Certification is a recognition program for ISPs that go above and beyond in the fight against sex trafficking. It's a clear, actionable way to show your customers, partners, and community that your company is committed to protecting the vulnerable.

Certification Requirements:

- **Train** 80% of your staff using Guardian Group's free online training.
- **Connect** at least 1 officer to Guardian Group's free support.
- **Give** \$1,591 annually to support Guardian Group's mission.

Benefits of IFAST Certification

- **IFAST Welcome Kit**
- **Exclusive IFAST Trust Symbol** - for use on your fleet vehicles, website, email signatures, and print materials.
- **Continued Direct Access to Training** - refresher learning and ongoing engagement for staff meetings.
- **Marketing & PR Support** - public recognition, press release templates, social media features, and more.
- **Downloadable Indicator Cards** - quick reference cards for technicians to reinforce what they have learned.
- **Leadership Listing** - Recognition as an IFAST Certified provider.
- **Real Impact** - Your company will be directly helping identify victims and support law enforcement recovery efforts.

IFAST CERTIFICATION
