Dear Ms. Dortch:

This letter is sent as a follow-up to information provided by NTCA–The Rural Broadband Association (“NTCA”) in several recent *ex parte* filings. *See, e.g., Ex Parte* Letters from Michael R. Romano, Senior Vice President – Policy, NTCA, to Marlene H. Dortch, Secretary, Federal Communications Commission (the “Commission”), WC Docket No. 10-90, *et al.* (filed Oct. 10, 2014 and Oct. 20, 2014).

Those prior filings related to a proposal to modify the way in which High Cost Loop Support (“HCLS”) distributions are calculated. NTCA provides the attached document as further information showing effects of its proposal on HCLS distributions from 2014 onward in comparison to current rules and also the proposal put forward by the Commission earlier this year.

Thank you for your attention to this correspondence. Pursuant to Section 1.1206 of the Commission’s rules, a copy of this letter is being filed via ECFS.

Sincerely,
/s/ Michael R. Romano
